

DESIGNMAKEPLAY SUMMER GIVEAWAY

**GET READY AND YOU CAN WIN SHIRTS,
HOCKEY STICKS, AND CAPS ALL SIGNED BY
CANUCKS PLAYERS!**

CONTEST -

You can have this summer a cool Canucks prize! If you are between the ages of 8 and 17 years old and you are passionate about Science, Technology, Engineering, Art, and Mathematics (STEAM), you can send us a photo of your project or activity where you made something cool! Short-listed submissions will be highlighted on the DesignMakePlay show during the Maker Profile segment with Zachary Anderson. A panel of judges will pick the top one each week to win a prize from the Vancouver Canucks. The criteria will be creativity, environmentally friendly, effort, fun, and the idea of “being good and doing good”, i.e. the thing you have made contributing to your family members, friends, or community.

To participate in the contest, a photo of what you made is required and a brief description of what you made. If it is a 3D model or other software project, please send your file so we can review and possibly profile on the DesignMakeShow. This additional information is required: your first name and last name, age, email address, and waiver. If you are under 13 you will need a parent or guardian to sign the waiver.

Please email submissions to designmakeplay@zenmakerlab.com
